For parking, we recommend the covered modern parking garage. It's a five minutes' walk away, just above the monastery. Open daily from 5 a.m. to 1 a.m.

There are two types of tickets you can buy at our reception:

- One-time ticket CHF 12.00
Take the ticket and park your vehicle. For one-time exit, buy a special ticket at the reception and use it for leaving the car park. Please note: car park is closed from 1 a.m. to 5 a.m.
- Hotel ticket (for unlimited entries and exits during your stay)
Per day CHF 12.00
Your first entry must be made during regular opening hours with a hotel ticket (buy it before), then times starts to run. After this activation, the ticket can be used for entering and exiting as often as you wish during your stay at our hotel, even at night during closing times (24-hour access).
